

CAREER BUILDING

From resume writing to interviewing, networking to managing personal finances, these courses teach young professionals the life skills that a traditional education may have left behind.

Building a career is an important skill needed in a competitive job market. MindEdge's career building courses prepare graduates to join the workforce.

To prepare for a job search, it's critical to include self-reflection, resume-writing, meeting with people, company research and mock interviews.

Each self-paced course offers an assortment of Assignments, Games and Flashcards, and Real-World Case Studies.

Course List:

- ▶ Ace Your Job Search
- ▶ Finding Purpose in your Career
- ▶ Networking For Success
- ▶ Personal Branding
- ▶ Personal Finance
- ▶ The First 30 Days
