

# PM SKILLS™

PM Skills™ and the PMSCP™ certification is about going beyond abstract concepts.

Provides the practical application of the skills, tools and organizational behaviors that have the strongest impact on team performance and project success.

PM Skills™ prepares the learner to put skills like communication, leadership, problem-solving, team development, and critical thinking into practice.

These self-paced courses include games, exercises, quizzes, and video segments from experts in project management offering real-world advice.

## Course List:
