

FRONTLINE MANAGER®

Training in the core skills that build successful frontline leaders.

Quality training is critical for those who sit at the very first level of management

Frontline managers should be well-versed in topics like leadership, coaching, and team development

Through self-paced, online courseware, learners can better understand and assess their own supervisory skills

Course List:

- ▶ Introduction to Supervision
- ▶ Navigating Your Organizational Culture
- ▶ Better Communication
- ▶ Leadership Styles
- ▶ Coaching
- ▶ Simulation: Leading a Team at Dragonfly

Why Frontline Manager® training?

Frontline managers are integral to helping an organization reach its business goals. But without the tools they need to succeed, they are immediately at a disadvantage, putting both business strategies and employee engagement at risk.

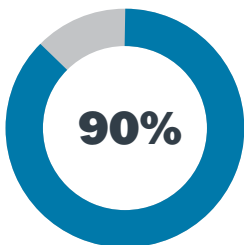

Frontline management training offers affordable, flexible, quality training in the skills that help transition an individual into a successful frontline leader.
