A SAMPLE OF COURSES INCLUDED:

HR Management Introduction Course (ACE CREDIT®)

This course introduces the topics covered in this bundle and the process for earning ACE CREDIT®.

Introduction to Human Resource Management

This course draws on material from Harvard Business School professor D. Quinn Mills' book, *Principles of Human Resource Management*.

Compensation and Benefits

In this course, you will consider issues surrounding the key aspects of pay policy: legal requirements, pay equity within an organization, competitive pay within the relevant industry, how and when to grant raises, and different ways payment can be structured.

Data and Human Resource Management

In this course, you will explore how human resource managers use data to provide better support to the employees they manage and to contribute to the strategic practices of their organizations.

Employee Selection

This course covers the process of selecting the best candidate from a large, diverse pool of applicants.

Equal Employment Opportunity

This course covers major U.S. employment laws, Equal Employment Opportunity issues, and anti-discrimination regulations that employers must be aware of when hiring, promoting, and terminating employees.

HR Management Final Exam (ACE CREDIT®)

This is the final exam course for this ACE CREDIT®-bearing bundle.
